### ***Description:***

This web site is designed to offer a variety of information for the computer and information science department and to be a complete reference for target audience: Current Students, Future Students, Parents, Potential Employees, and Alumni and the ABET.

Specifically it provides:

- Information on Programs offered by the department
- Course catalogs
- Information about the faculty and staff
- Latest news and events regarding the department
- Scholarships offered
- Student interaction : form submission , class schedules

### ***Justification:***

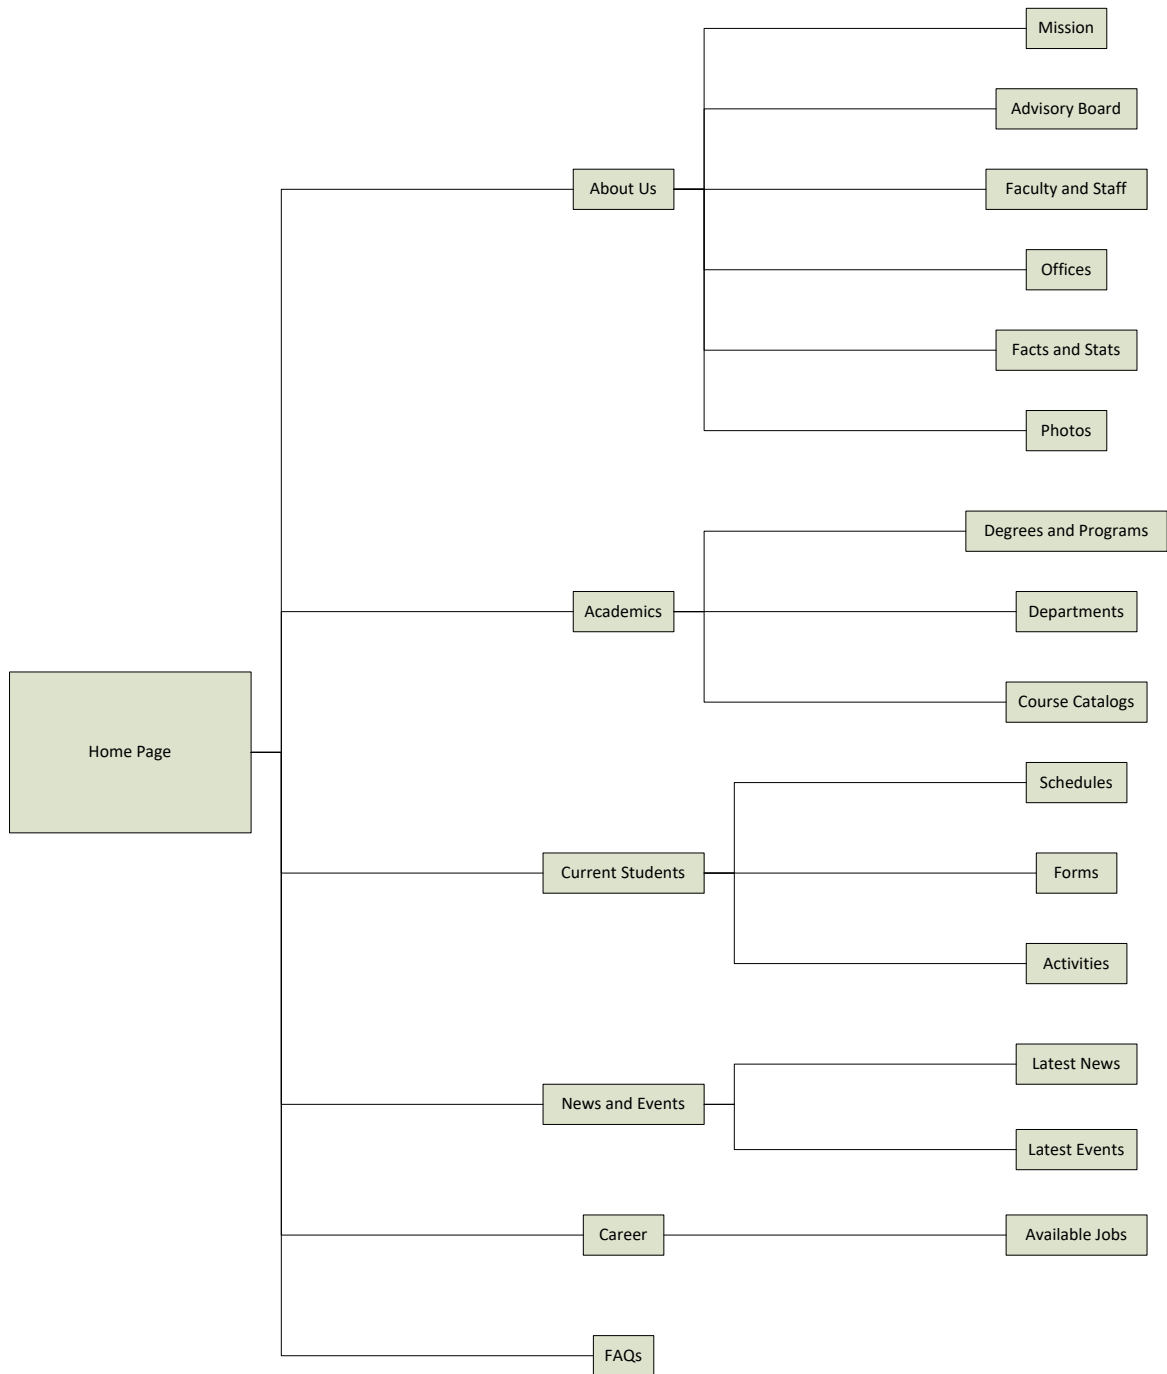

I wanted to make it simple to view and navigate , so the design is so simple consisting of four colors , which are the two official colors approved by tech , white and light blue

In the title and menu bar I used just two colors and in the content area I used basic white and tech green colors to achieve some accessibility features with a border to focus on the main content of the page

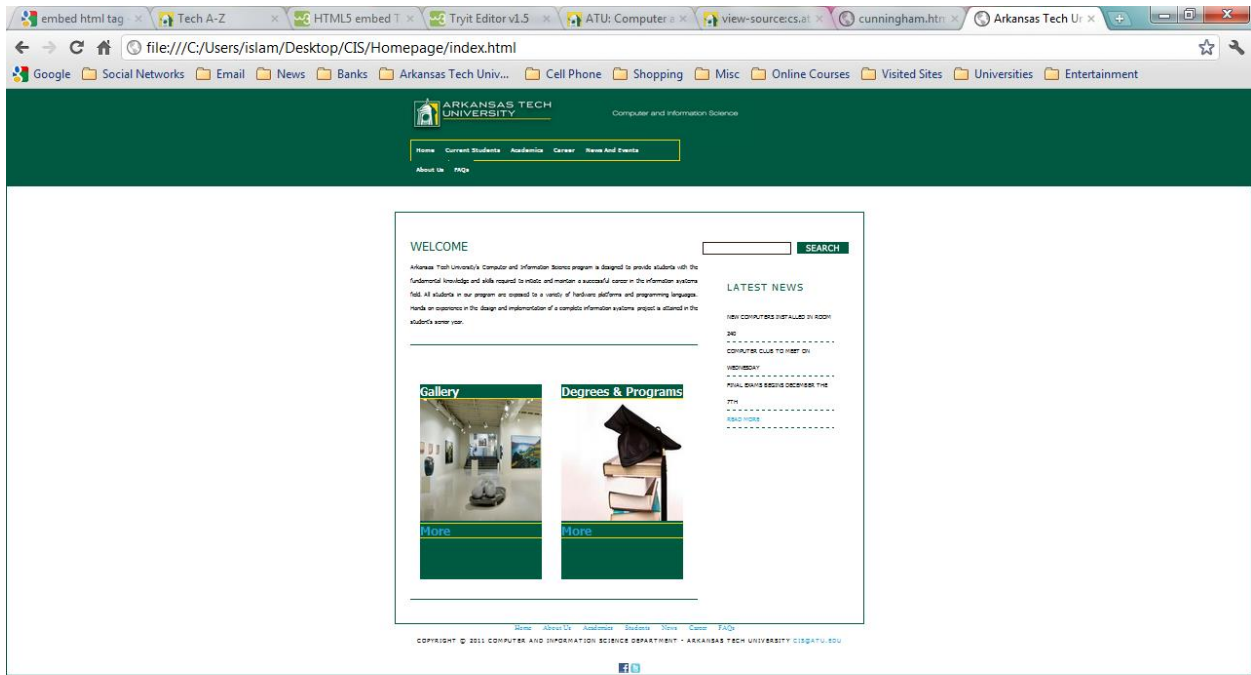

The content area is composed of a main left column and a smaller right column

In the menu I tried to cover all possible content

A general view of the welcome page zoomed out

## Welcome page

The screenshot shows a web browser window with the URL `file:///C:/Users/islam/Desktop/CIS/Homepage/Current_Students/Forms/Forms.html`. The page header features the Arkansas Tech University logo and the text "Computer and Information Science". A navigation menu includes links for Home, Current Students, Academics, Career, News And Events, About Us, and FAQs. The main content area is titled "FORMS" and includes a search bar. Below the title, there are four sections of text, each followed by a link:

- The following forms are for your use from Student Accounts  
[Student Accounts' forms](#)
- The following forms are for your use from Purchasing  
[Purchasing forms](#)
- The following forms are for your use from Human Resources  
[Human Resources' forms](#)
- The following forms are for your use from Financial Aid  
[Financial Aid forms](#)

The taskbar at the bottom shows the system clock at 3:10 AM on 12/6/2011.

## Current Student / Forms

The screenshot shows a web browser window with the URL `file:///C:/Users/islam/Desktop/CIS/Homepage/Academics/Degrees_Programs/Degrees_Programs.html`. The page header features the Arkansas Tech University logo and the text "Computer and Information Science". A navigation menu includes links for Home, Current Students, Academics, Career, News And Events, About Us, and FAQs. The main content area is titled "DEGREES & PROGRAMS" and includes a search bar. Below the title, there is a paragraph of text followed by two sections of text, each followed by a link:

The Department of Computer and Information Science offers the student a choice of five degree options:

- [Associate of Applied Science in Information Technology](#)  
The Associate of Science in Information Technology enables students to develop skills in the areas of web processing, databases, networking, programming, and various operating systems. These skills enable students to seek positions within the information technology industry.
- [Bachelor of Science in Computer Science](#)  
The Bachelor of Science in Computer Science prepares students for careers as systems programmers in a scientific and/or engineering environment and for graduate work in computer science. Mathematics and engineering courses supplement a strong core of computer science courses, enabling students to design and implement software that requires complicated computations, data structures, and interfaces.

The taskbar at the bottom shows the system clock at 3:10 AM on 12/6/2011.

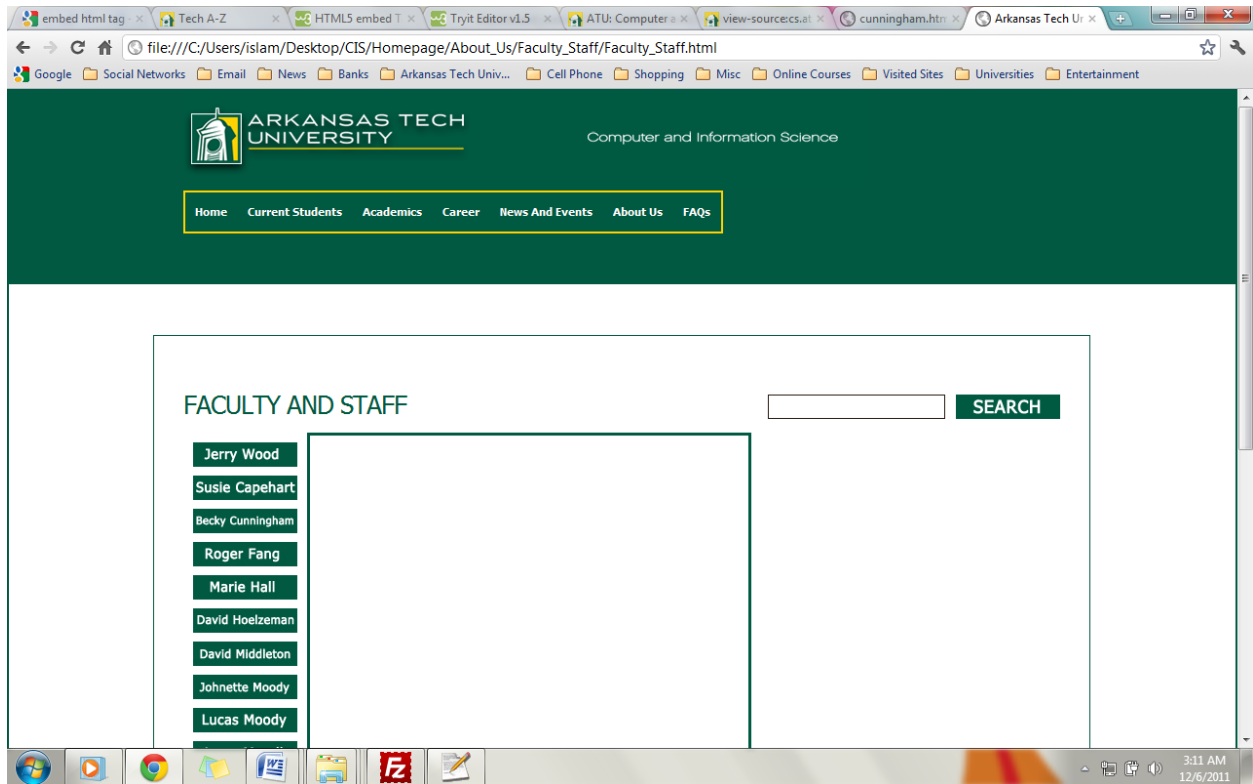

## Academics/Degrees and Programs

The screenshot shows a web browser window displaying the Career page of the Arkansas Tech University Computer and Information Science department. The browser's address bar shows the file path: file:///C:/Users/islam/Desktop/CIS/Homepage/Career/Career.html. The page features a dark green header with the university logo and navigation links: Home, Current Students, Academics, Career, News And Events, About Us, and FAQs. The main content area is titled 'CAREER' and includes a search bar with a 'SEARCH' button. Below the search bar, there is a list of job openings: 'New Graduate Assitnship postions', 'AXCIOM new job openings', and 'Walmart : Information Systems Manger job opening'. To the right, a section titled 'CAREER FAIRS' contains text stating that dates and times for the 2011-2012 school year have been posted and directs users to the Career Fairs page for more information. At the bottom of the page, there is a copyright notice: 'COPYRIGHT © 2011 COMPUTER AND INFORMATION SCIENCE DEPARTMENT - ARKANSAS TECH UNIVERSITY CIS@ATU.EDU'. The Windows taskbar at the bottom shows the system clock as 3:11 AM on 12/6/2011.

## Careers

The screenshot shows a web browser window displaying the News and Events page of the Arkansas Tech University Computer and Information Science department. The browser's address bar shows the file path: file:///C:/Users/islam/Desktop/CIS/Homepage/News\_Events/News\_Events.html. The page features a dark green header with the university logo and navigation links: Home, Current Students, Academics, Career, News And Events, About Us, and FAQs. The main content area is titled 'NEWS' and includes a search bar with a 'SEARCH' button. Below the search bar, there is a list of news items: 'New computers installed in room 240' and 'Final exams begins December the 7th'. Below the news section, there is a section titled 'EVENTS' with a single item: 'Computer club to meet on Wednesday'. At the bottom of the page, there is a navigation bar with links: Home, About Us, Academics, Students, News, Career, and FAQs. The Windows taskbar at the bottom shows the system clock as 3:11 AM on 12/6/2011.
